

**REMARKS**

This application claims the benefit of provisional application 60/139,345, filed June 15, 1999, which bears an earlier filing date than U.S. Patent 6,710,804 to Guidash as cited by the Examiner. Support for the present claims is found in the provisional application in Figs. 1 & 2 and on pages 1 to 3 of the specification.

In view of the above, each of the presently pending claims in this application is believed to be in immediate condition for allowance. Accordingly, the Examiner is respectfully requested to pass this application to issue.

Dated: August 31, 2004

Respectfully submitted,

By
